THEY'RE BACK! SEASON 2 STARTS HERE!

THE XCELLENT

They lived, they loved, they fought and they died...a lot. The mutant team known as X-STATIX rose to celebrity acclaim by showcasing their death-defying missions to the adoring public. But after many missions (and many replacement teammates), the team disbanded, never to be heard from again.

That is, until the daughter of former member U-GO GIRL, Katie Jones, manifested teleportation abilities that attracted not just the survivors of X-Statix, but also a new team of young, eccentric mutants called...

THE X-CELLENT

PREVIOUSLY...

Zeitgeist, the deceased leader of X-Force (now known as the X-Statix), is back! And this time, he's brought with him a team of conniving, cutthroat mutants eager to steal the celebrity spotlight from the X-Statix!

Most recently, the X-Cellent stole a spell from Doctor Strange's *Book of the Vishanti*. With this spell and the use of his social media, Zeitgeist plans to achieve godhood!

But Zeitgeist's abusive behavior is starting to turn his team against him. And his newest recruit, Toodle Pip, is not making matters any easier. There're only so many teammates Zeitgeist can kill off...

EYEWASH!

I CAN'T TELL YOU HOW SATISFYING SHEER, MINDLESS DESTRUCTION CAN BE WHEN YOU'RE BUILT LIKE ME.

BECAUSE, LET'S FACE IT, THERE'RE A LOT OF THINGS I'LL NEVER BE ABLE TO DO.

LIKE THIS.

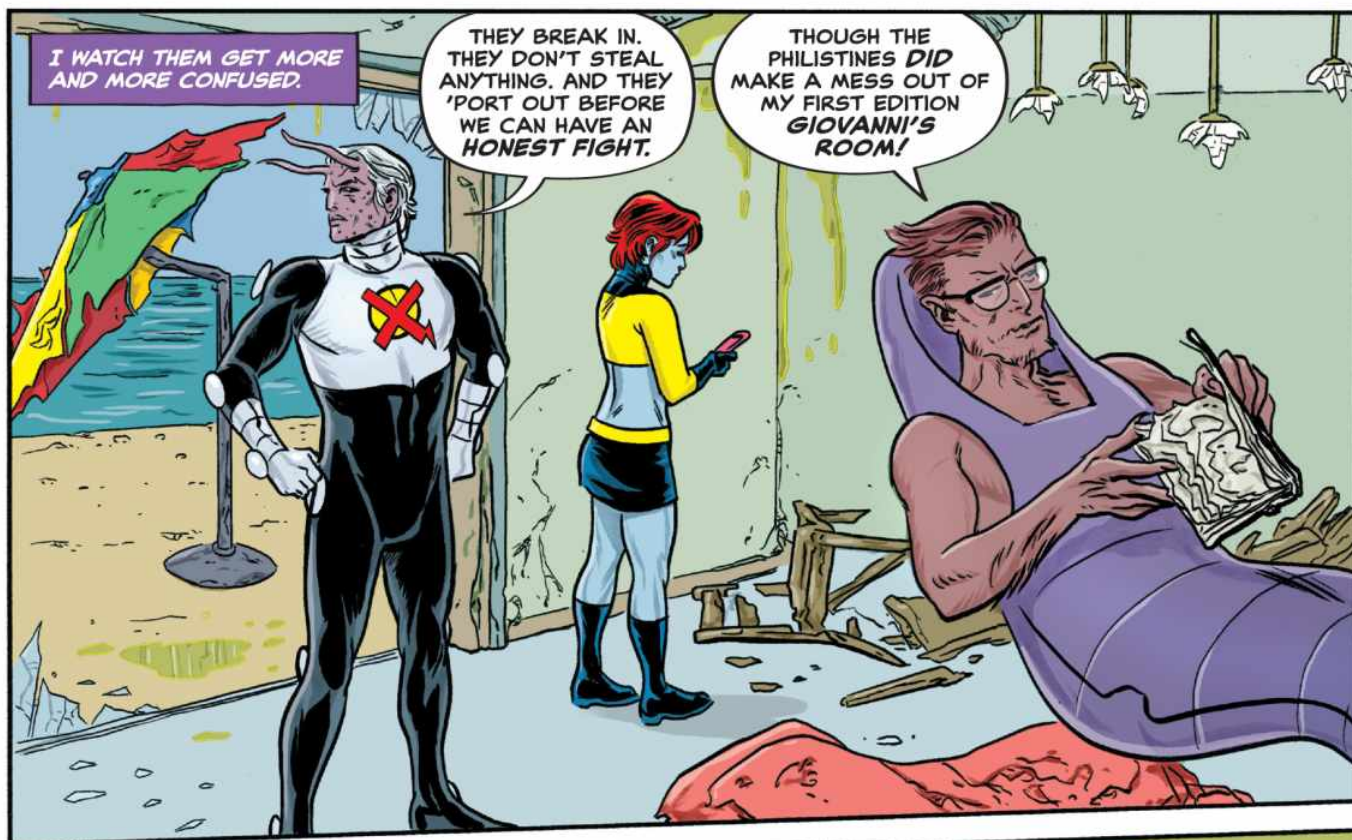

AND, YEAH, I DO THINK ABOUT THIS.

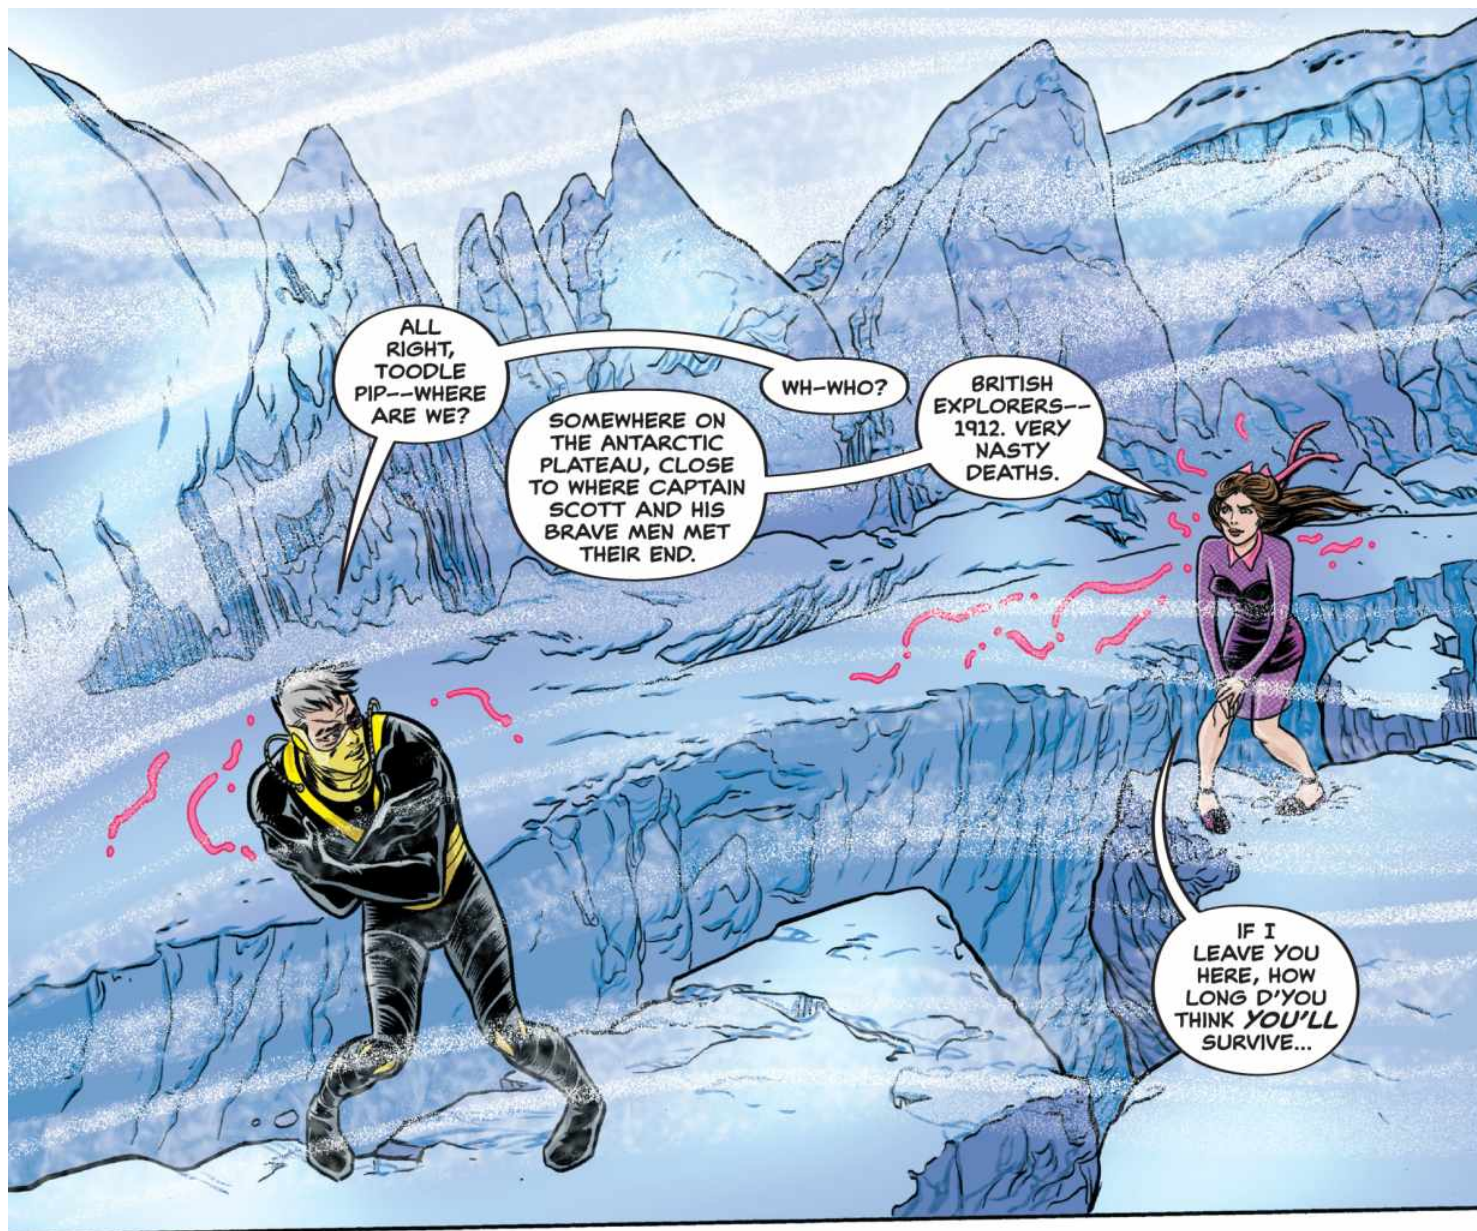

AND THIS.

FOOD SOMETIMES INJECTS ME WITH A NUTRIENT THAT MIMICS THE SENSATION OF SEX AND FINE WINE---

ALL
RIGHT,
TOODLE
PIP--WHERE
ARE WE?

SOMEWHERE ON
THE ANTARCTIC
PLATEAU, CLOSE
TO WHERE CAPTAIN
SCOTT AND HIS
BRAVE MEN MET
THEIR END.

WH-WHO?

BRITISH
EXPLORERS--
1912. VERY
NASTY
DEATHS.

IF I
LEAVE YOU

YOU'D BE
SURPRISED. I'M
TOUGHER THAN
I LOOK.

WHAT ARE
YOU TRYING TO
PROVE?

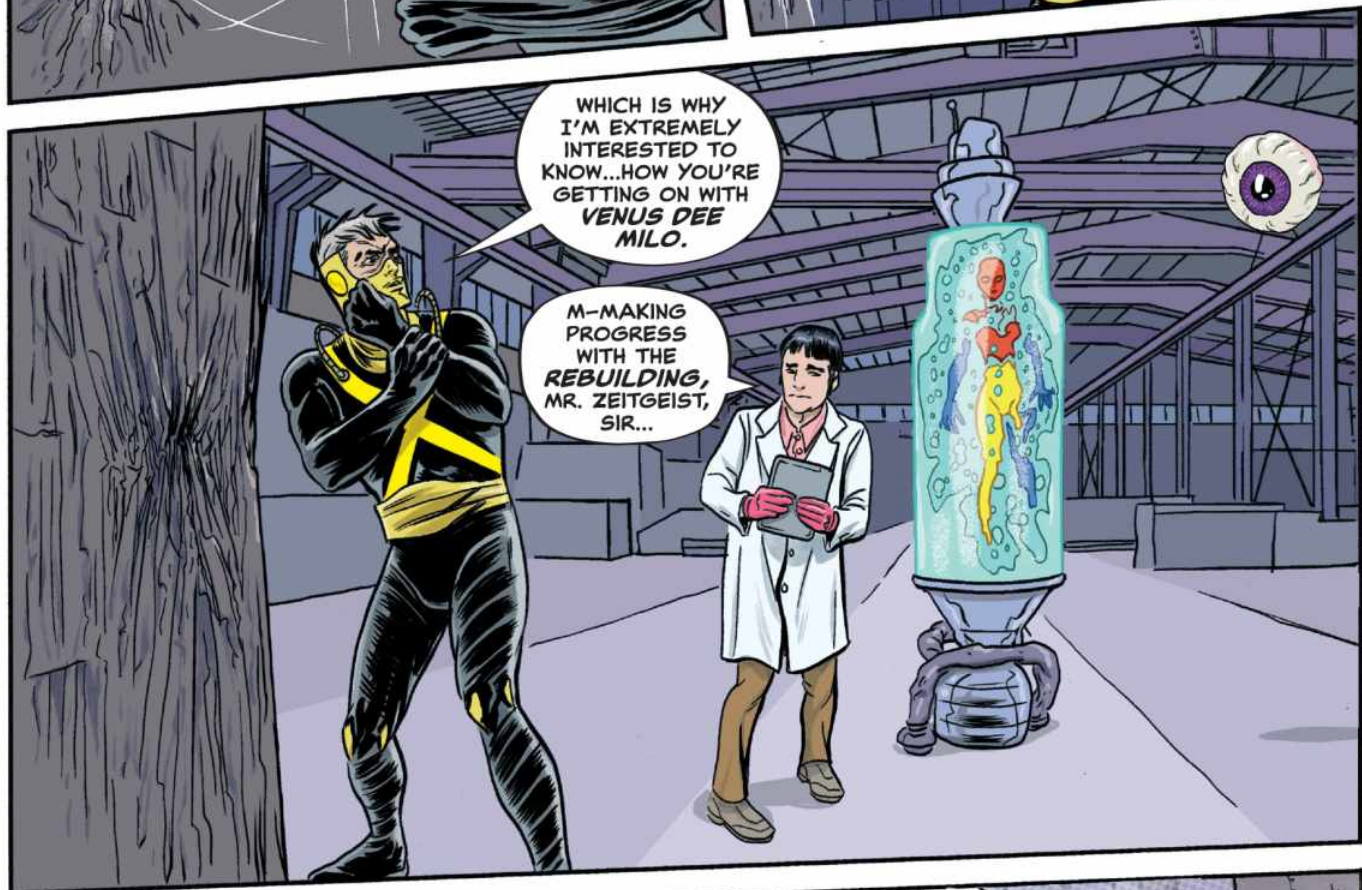

I DON'T CARE HOW EVIL YOU
ARE. I'M PRETTY EVIL MYSELF.
BUT I WILL NOT ACCEPT THE
WAY YOU TREAT MIRROR
GIRL.

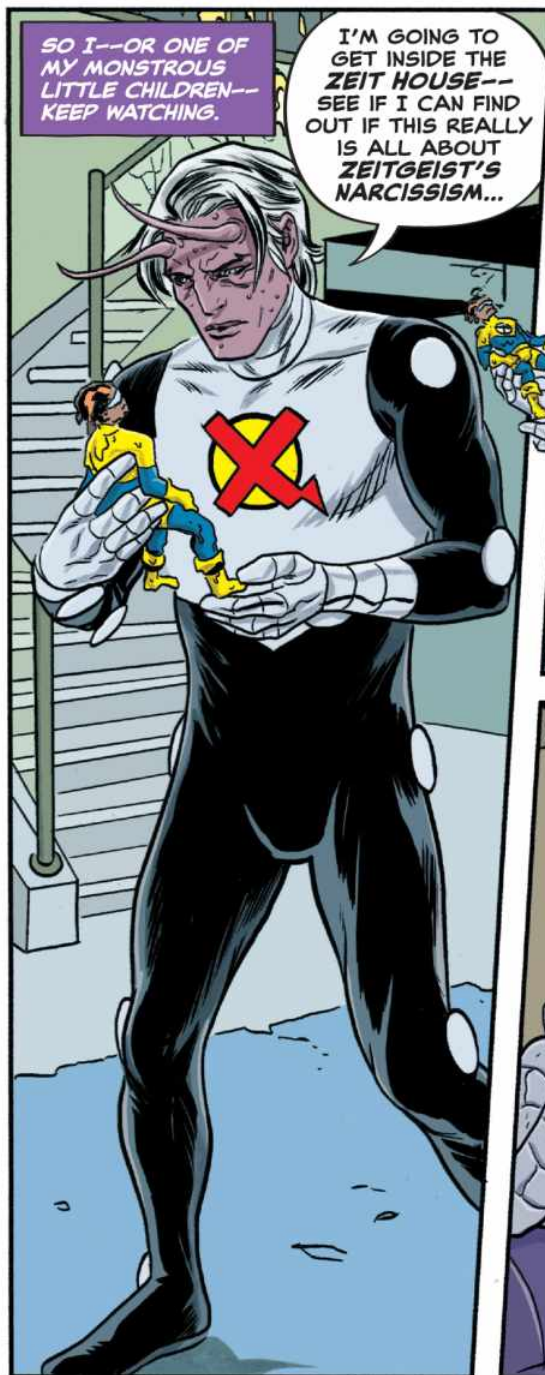

LEAVE
HER ALONE, OR YOU'RE
MINUS A TELEPORTER. ARE
YOU HAPPY WITH THAT
ARRANGEMENT?

PERFECTLY
HAPPY.
